

2024 SENIOR CITIZEN SEWER RATE REDUCTION PROGRAM

If you live in a household with one family member who is 65 years or older, as shown by a birth certificate, school records, and military discharge documents or other supporting documentation acceptable to the Meeker Sanitation District, you may qualify for a reduced sewer rate. Eligible households will receive a discount on their sewer bill each month.

To qualify for the program, the total gross family income for all residents of the household must be less than \$2,116.55 per month or less than \$25,398.56 per year as evidenced by the Social Security Benefit Statement for 2024 and federal income tax returns for all household members for the year 2023. If you are not required to file an income tax return, please provide copies of all nontaxable income received by the household for the year 2023 and the Social Security Benefit form for 2024, or a copy of your bank statement that shows your income.

If you have been previously enrolled in this program, the Meeker Sanitation District has your proof of age on file and will only require that you provide the income tax return or written proof of non-taxable income such as the Social Security Benefit Form. To qualify for the program please provide the Meeker Sanitation District with the required information no later than May 30th of each year. Your reduction will become effective the following month after the information required is presented to the Meeker Sanitation District.
